What are SVQs?

Scottish Vocational Qualifications (SVQs) tell you exactly what you must do in a job to do it well. They are based on national standards which are drawn up by people from industry, commerce, and education. This means that if you have an SVQ, then you have a way of proving that you can do your job well, to national standards agreed by whatever industry or commercial sector you are in.

SVQs send powerful messages to employers:
You can do your job confidently and well.
You are motivated, confident, and ambitious.
You are ready to take on responsibility.
You are committed to your work.
